

## CHÂTEAU DES MOINES

Lieu-dit MUSSET - 33500 LALANDE DE POMEROL - Tél. 05 57 51 40 41 - Fax. 05 57 25 04 21

### Cuvée Henri Bordeaux

Grape variety :  
**100% merlot.**

**Vineyard and soil :** the soil consists of dry gravels and the subsoil is clay-silt and gravel with traces of the iron oxide called «crasse de fer».

**Area :** 1.3 hectare.

**Vineyard management :** the parcels are cultivated using traditional methods with weed-control under the vines, controlled inter-row grassing and mechanical leaf-thinning. Green harvesting was carried out for this vintage.

**Vinification :** de-stemming of the harvest, sorting and cold maceration for five days to maximise extraction of aromas. Alcoholic and malo-lactic fermentations are controlled by temperature regulation. The length of vating varies from 12 to 15 days, according to the vat.

The wine is aged and bottled at the property.

**Tasting note :** rich in colour and in aromas, fine sustained colour, on the palate powerful and supple at the same time. Nose of ripe fruit with supple, silky tannins.
